Farm Show and Sale

3rd Annual
SIOUX EMPIRE FARM
Show and Sale

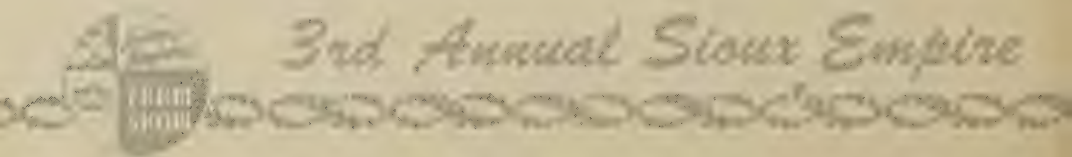

During Week of Jan. 30 to Feb. 4

HELD AT

SIOUX FALLS, S. DAKOTA

Sponsored by
SIOUX FALLS CHAMBER OF COMMERCE
General Chairman, Frank Lingo
Catalog Edited by Chuck Page

Terms and Conditions

The Sioux Falls Chamber of Commerce, solely in the interest of improving quality and increasing livestock numbers in the Sioux Empire area, takes pride in presenting this offering of **QUALITY PUREBRED LIVESTOCK**.

Through the cooperation of the respective breed associations, every effort has been made to procure only such consignments that are a credit to their association.

The terms and conditions under which this sale will be conducted are as follows:

1. Each animal will be sold without reservation to the highest bidder.

2. Buyers will assume all risk on animals as soon as they are declared sold.

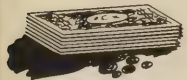

3. The auctioneer will settle all disputes as to bids.

4. The Sioux Empire Farm Show acts only as agent for the several consignors in this sale and does not assume any responsibility of the animal's future usefulness. If an adjustment needs to be made, it must be made between the purchaser and the consignor.

5. Any change in breeding date will be announced sale day.

6. Terms of every sale are cash. Settlement to be made with Gladwin Hansen, sale clerk, at the time of sale unless special arrangements are made with the clerk.

7. Every consignment must conform with existing state sanitation regulations. All necessary health certificates will be issued.

8. Mail bids will be accepted by the Breed Superintendents.

9. During sale week, telephone bids will be accepted at the sale arena phone no. 24022.

The Banks of Sioux Falls are cooperating in the Clerking, and they are represented by Gladwin Hansen of the Sioux Valley Bank.

10. Every precaution will be exercised for the safety and welfare of those attending the sale. However, the Sioux Empire Farm Show, the management or anyone helping with the sale assumes no responsibility for accident or injury.

Farm Show and Sale

Sheep Division

Sheep Show and Sale

Pages 20 - 28

TUESDAY, JANUARY 31, 1956

Show will start at 9:00 a. m. with sale immediately following.

Chairmen - Art Sorensen, Secretary-Treasurer, Sioux Falls Stock Yards Co. Andy Westra, Marshall-Wells Stores.

Judge - Dewey Jontz, Des Moines, Iowa.

Auctioneer - Col. Chas. Taylor, Fremont, Nebraska.

Mail bids will be accepted by Dewey Jontz or Art Sorensen.

The Sioux Falls Chamber of Commerce takes pleasure in presenting this offering of ewes at their 3d Annual Sioux Empire Farm Show. This Show and Sale is sponsored with the purpose of encouraging quality sheep production.

Sheep numbers kept on farms do not remain constant, but varies with economic and climatic conditions. Farmers and stockmen are currently becoming more and more interested in the production of high quality sheep. The two cash crops - wool and lambs - are a great aid in meeting the increased costs of operation. With the necessity of planting more grasses and legumes to meet acreage restrictions, and conserve our soil the need for roughage consuming animals is self-evident. With a growing agricultural future, we are confident that within this offering of ewes we can add some stabilizing influence to our general farming economy.

Quality livestock is fostered by the development of quality individuals. Consignments from the most prominent breeders in South Dakota, Minnesota, Iowa, and Missouri are evidence of the effort exerted by all concerned with the Show and Sale.

SENATOR DAUGHTER
Best Uddered Cow S.D.S.F., 1951

The dairy cow has played an important role in the development of the Sioux Empire. It has brought wealth to the dairyman, with its accompanying benefits of a higher standard of living, better education of their children and a more enjoyable life. To the general public it furnishes nature's most perfect food in a delicious, palate pleasing and health giving form.

Milk production has increased as attention and emphasis have been given to improved breeding of dairy herds. Consumer consumption has increased through higher quality products made available by technical skill, sanitation, refrigeration and modern dairy plants.

The U. S. Public Health Service, your state and local health officers have played a big part in helping the dairy cow to bring to the consuming public, health and happiness through the use of her product. Nature's Most Perfect Food.

The amiable, humble dairy cow was the source of a multi-million dollar income to the dairy farmer of the Sioux Empire in 1955.
